

CAN YOU TRUST YOUR ROOMMATE?

An example for all collage roommates and a protector of your personal space and time.

By Dormbot

College is stressful

We at Dormbot know that you've already got your hands full at collage, between tests and teachers, you don't have anymore bandwidth for a bad roommate.

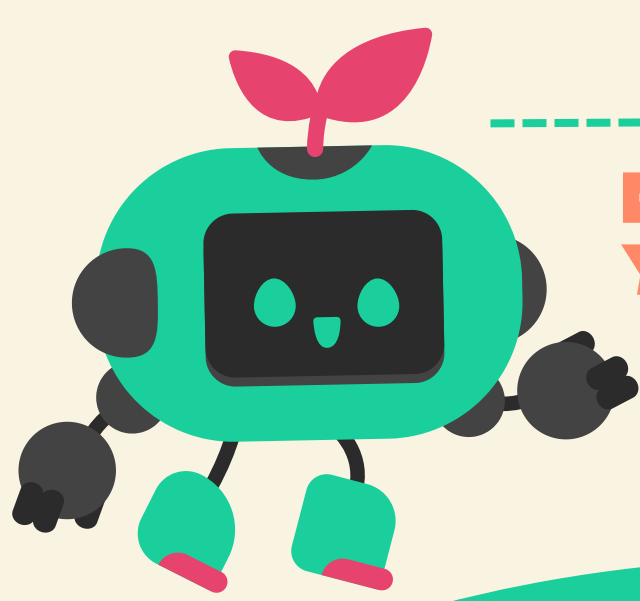

We are here to help!

With our latest Dormbot model and our app you can have a clean, smell free, and most importantly- safe dorm life!

Room management your way

With Dormbot's many options for customization theres no limit to what kind of ideal roommate you can make!

Dormbot puts Your safety first.

Dormbot serves as an example for your roommate in order for them to improve, and to keep you both safe, as such there is a killswitch that can be activated via the app taking your Dormbot offline- no questions asked!
