

# THE APERTURE ALARM

*Developed by the top scientist to wake you up in the morning*

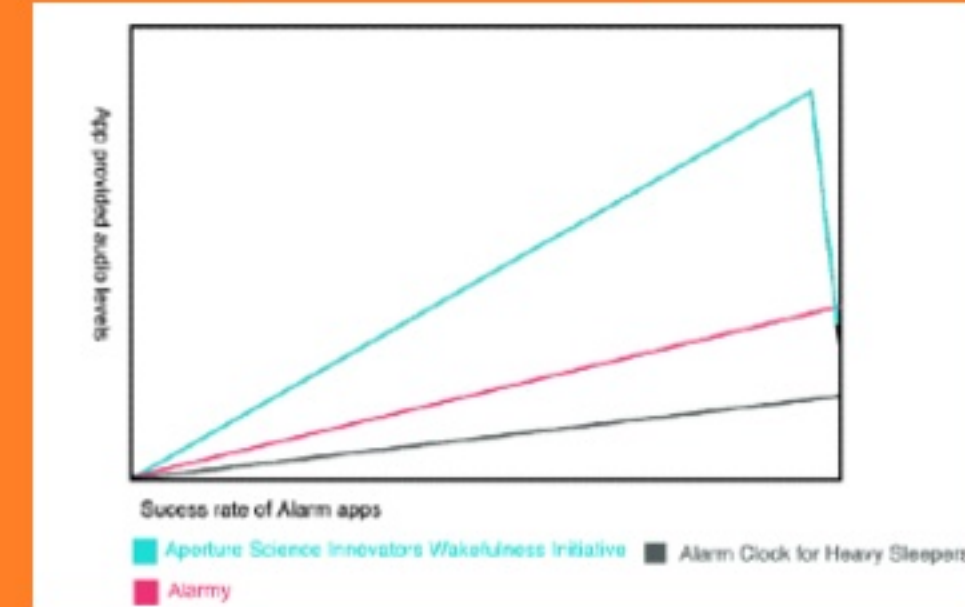

Research shows  
that 27% of  
classes/work  
missed is from  
oversleeping

Get woken up by  
some of your favorite  
Aperture members.

Studies have shown  
improved moods from  
users.

Research shows that the  
Aperture alarm is more  
successful than other alarm  
apps.
