

SCROLLSTOPPER: STOP THE SCROLL

Break the doomscrolling cycle

🎮 What is Scrollstopper?

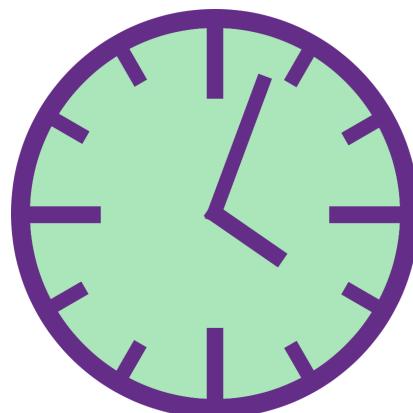

Scrollstopper is a revolutionary app designed to help you break free from the addictive cycle of endless scrolling. We use game-inspired techniques and a vibrant green interface to make quitting doomscrolling fun and rewarding. Think of it as a game where you win back your time and mental well-being!

Key Features & Benefits

Grass Green Timer:

Set personalized timers and receive gentle reminders to take breaks. A soothing green theme helps calm your mind.

Pixelated Progress Tracking:

See your progress in a retro-style game interface. Earn badges and achievements as you reduce your screen time.

Doom Dollars:

By not “doom”scrolling, you earn “doom” dollars! They are an in-game currency that allows you to purchase upgrades and cosmetics.

Customizable Avatars:

Personalize your in-app avatar with unlockable items. Show off your achievements and stay motivated!
