

Forget-Me-Not

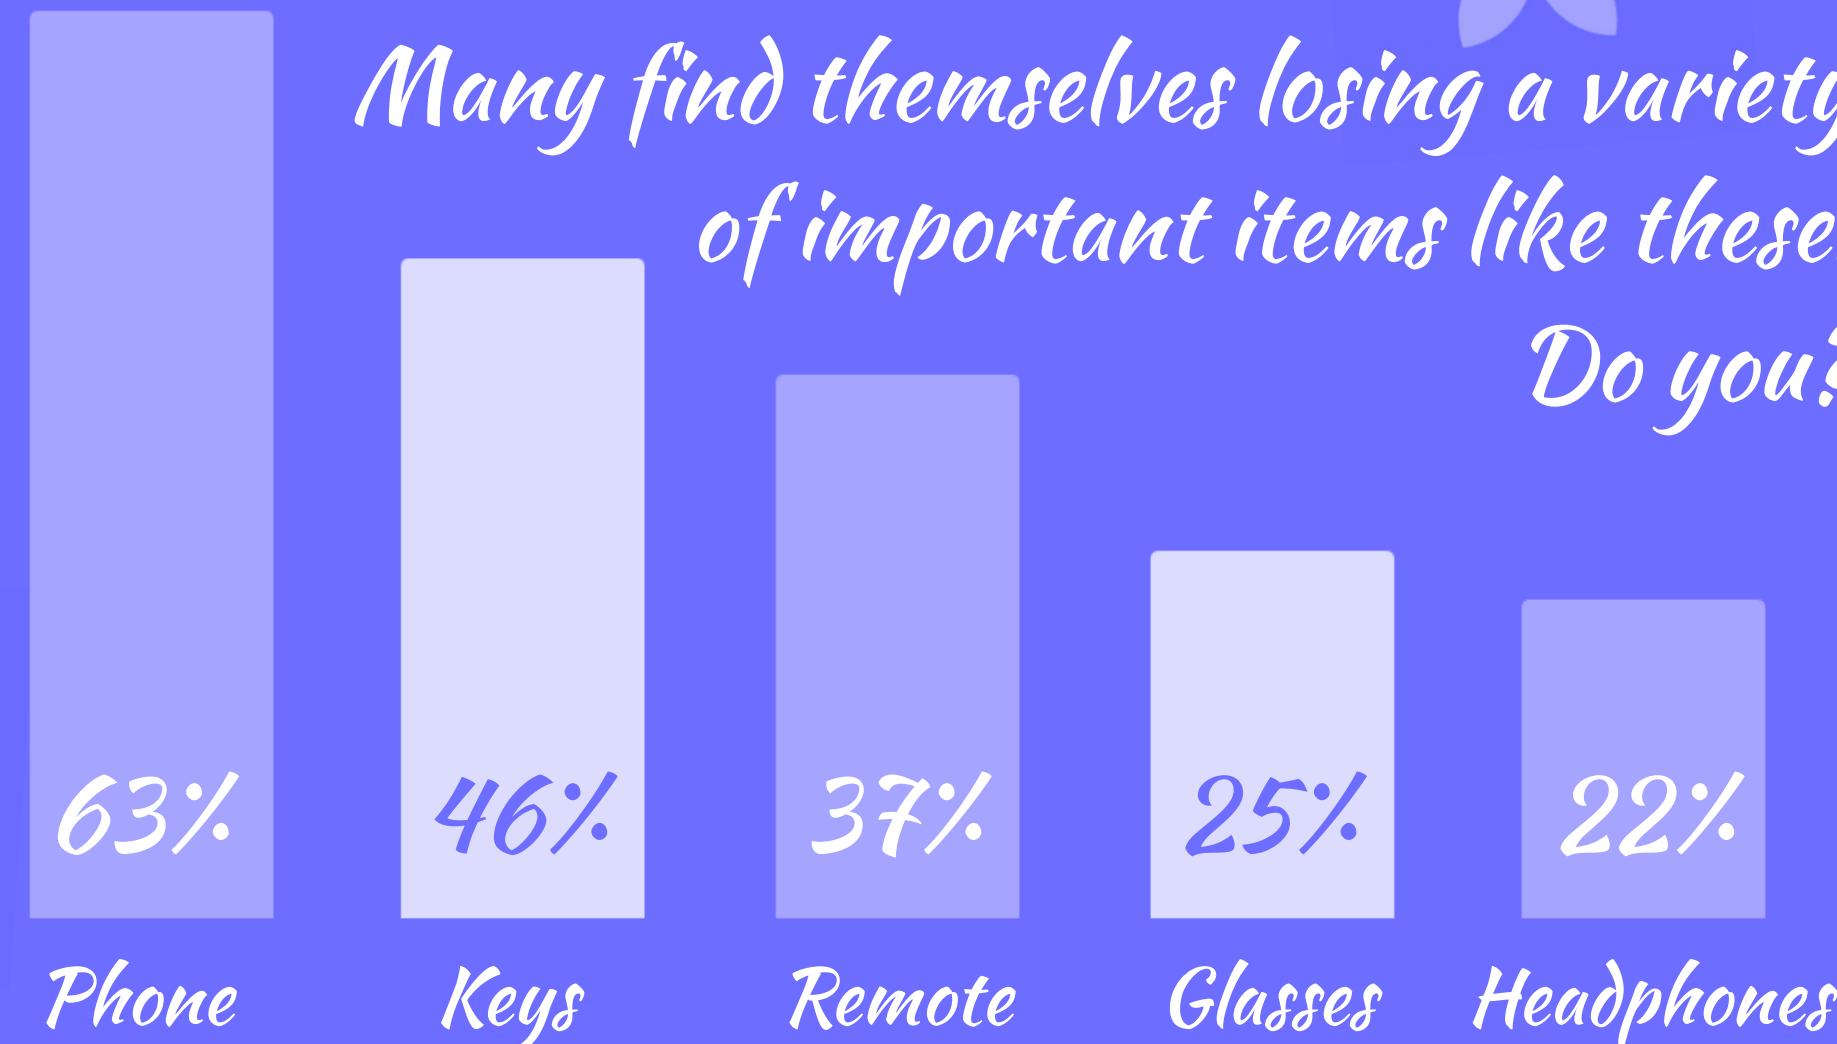

helps you remember

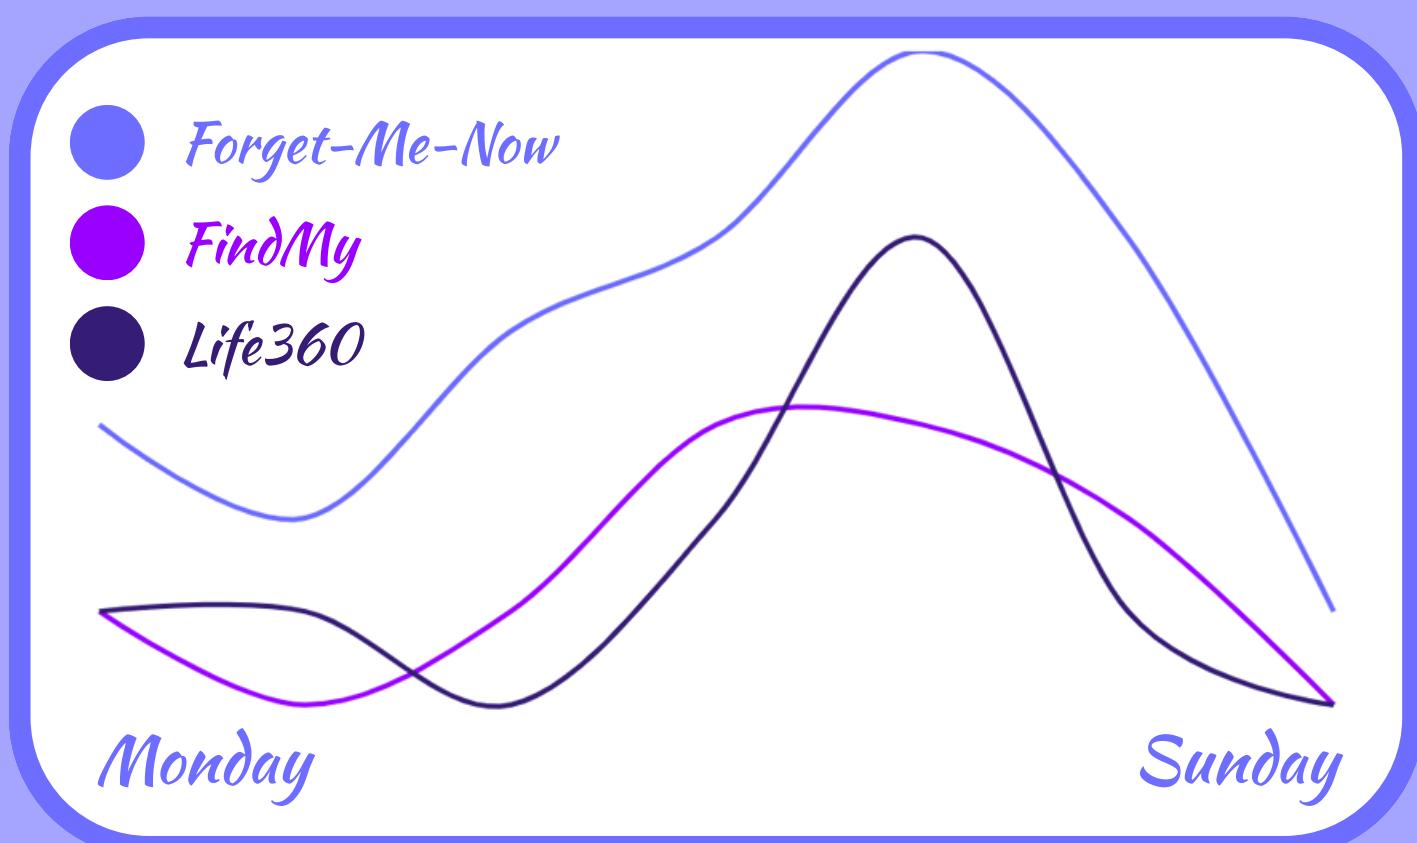

About 40% of adults 65 and older suffer from memory loss

What gets lost?

Many find themselves losing a variety of important items like these. Do you?

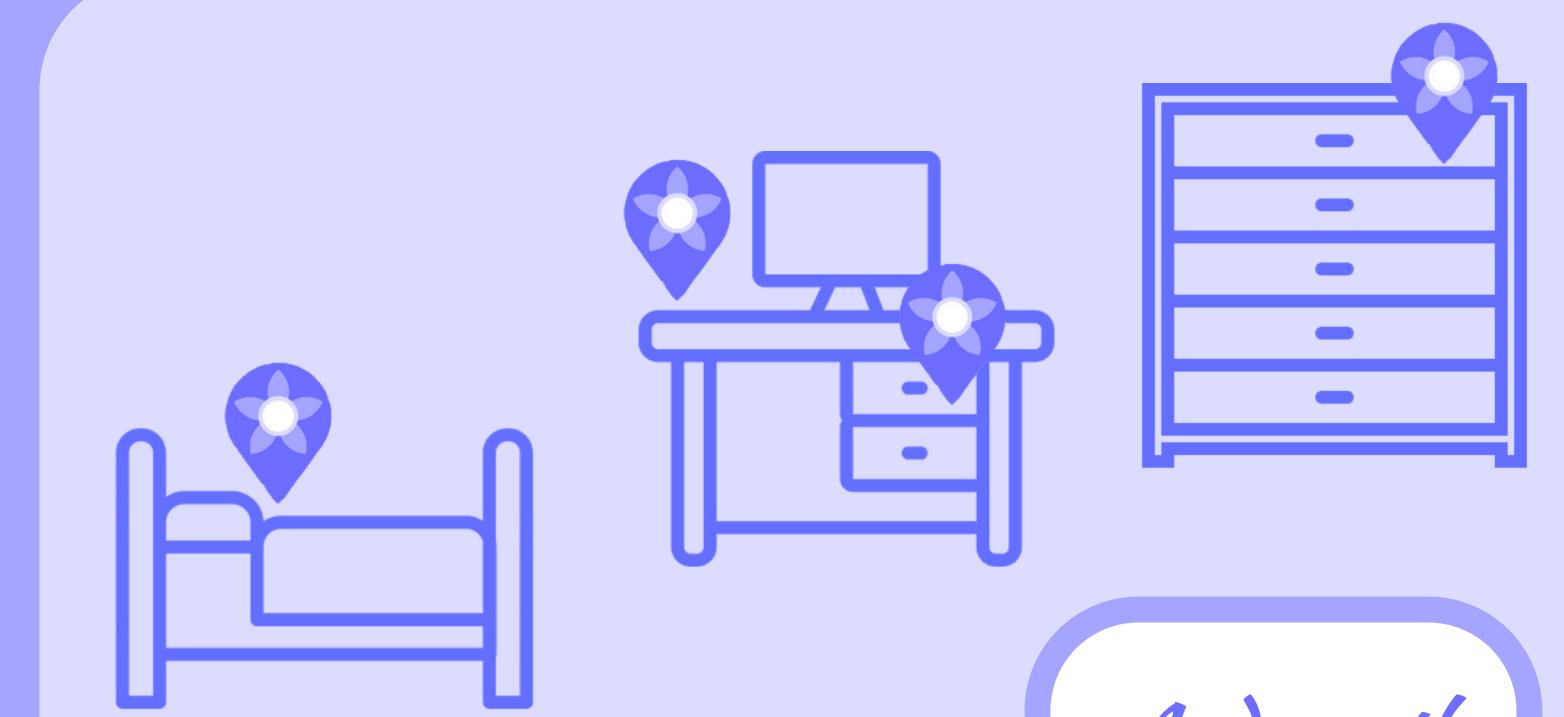

Our Users

Forget-Me-Not helps users like you find their items every day, more than any other apps they use.

How Forget-Me-Not Works

With Forget-Me-Not's stickers, keep track of where your items are...

...And use the app to find them!
